

The mission of **Faith In Practice** is to improve the physical, spiritual, and economic conditions of the poor in Guatemala through short-term surgical, medical and dental mission trips and health-related educational programs. Our mission is based on an ecumenical understanding that as people of God we are called to demonstrate the love and compassion that is an outward sign of God's presence among us. Faith In Practice's life-changing medical mission is to minister to the poor, while providing a spiritually enriching experience for our volunteers.

West Hills has participated in missions with Faith in Practice since 2003. We have sent physicians, pharmacists, and translators on one-week missions for the past eight years. Last year Faith in Practice served over 20,000 patients.

People we serve

We need your prayers to: develop the team, provide safety for our trip, bless the instruments & medications we assure that we are bringing God's love, and that these trips be an encouragement to our non-Christian partners.
